From the CEO

Area residents choose Aiken Regional Medical Centers because they know they'll receive high-quality healthcare from people who are truly invested in their well-being. They know we honor our commitment to provide the best possible care from highly credentialed physicians and clinical staff, and that we invest in lifesaving equipment and technology.

As you browse through the following pages, you'll learn about the advanced services and technology available right here, close to home. Pages 6 and 7 let you in on how to take advantage of free community outreach programs and health screenings. You'll find a complete listing of the active medical staff, as well as an at-a-glance guide to finding a physician by specialty.

My hope is that this pamphlet will not only inform you about our services, but also give you a sense of the accountability we feel for the community's health and well-being.

And I hope you will get to know Aiken Regional, through our community education seminars, outreach efforts, and our support and social groups. Trust us to keep you and your family healthy. It's our responsibility – and our privilege.

Aiken Regional Medical Centers (ARMC) is a 230-bed acute care hospital that serves Aiken and its surrounding counties. The hospital, which opened in 1917, has been at its current location since 1976.

Aiken Regional Medical Centers is owned and operated by a subsidiary of Universal Health Services, Inc. (UHS), a King of Prussia, Pennsylvania-based company that is one of the largest healthcare management companies in the nation. More than 120 physicians representing 40-plus specialties are on the medical staff at Aiken Regional Medical Centers. Ninety-two percent of the medical staff are board certified, many in multiple specialties.

QUICK FACTS:

- Our Emergency Department treats over 51,000 people each year.
- The Women's LifeCare Center delivers over 1,200 babies every year.
- More than 9,000 surgical procedures are performed each year.
- All patient rooms are private (except Aurora Pavilion).
- We are consistently one of the top-ranked hospitals in the nation for quality measures.
- We are recognized by South Carolina Emergency Management as having the #1 Incident Command System in the state.
- We are recognized by The Joint Commission as having one of the best emergency management programs in the United States.

Physicians are independent practitioners who are not employees or agents of Aiken Regional Medical Centers.

CENTERS AND SERVICES

Cancer Care Institute of Carolina

High-quality cancer treatment is available right here in Aiken. The Cancer Care Institute of Carolina offers integrated cancer treatment and advanced technology in a comfortable facility. The Institute is one-of-a-kind in the CSRA, offering both radiation oncology and hematology/oncology services, plus support services for cancer patients and their families.

**Location: 100 Miracle Drive, ARMC campus
803-641-7850**

Cardiovascular Institute of Carolina

Look no further than the Cardiovascular Institute of Carolina at Aiken Regional for advanced cardiac care. The cardiology staff provides patients with individualized treatment plans that can include diagnostic testing, medication, surgery and rehabilitation. The Cardiovascular Institute also offers health screenings and education to help you stay heart-healthy.

**Location: 5th Floor, ARMC main building
803-641-5551**

Joint and Spine Center

Patients who have had total hip or knee replacement surgery will find specialized care here. A week-long recovery plan includes the patient's physician, nurses, physical therapists, "coach" and case manager. By participating in group therapy in addition to individualized therapy sessions, patients benefit from sharing their experience with others.

**Location: 4th Floor, ARMC main building
803-641-5451**

Wound Healing Institute of Carolina

If you have a wound or sore that has not begun to heal within a month, the Wound Healing Institute of Carolina can help. We offer some of the most advanced wound care therapies available today, including hyperbaric oxygen therapy. The institute's specially trained staff tailor a treatment plan to your specific needs.

**Location: 100 Aurora Place, ARMC campus
803-643-2090**

Women's LifeCare Center

The Women's LifeCare Center is a source of knowledge, care and comfort for women of all ages. Services include gynecologic care, breast surgery, treatment of menopause and osteoporosis, estrogen replacement therapy and more. The childbirth center gives newborns and their parents a strong start in life, with advanced clinical expertise and warm, personal attention.

**Location: 2nd Floor, ARMC campus
803-641-5800**

Women's LifeCare Diagnostic Services

A range of diagnostic services in one location can help make a woman's healthcare more manageable. Services include mammography, bone densitometry, stereotactic breast biopsy and routine X-rays. And we have all-digital mammography for faster, more comprehensive results.

**Location: 400 Medical Park Drive, ARMC campus
803-641-5065**

Diabetes and Nutrition Teaching Center

Both adult and pediatric patients receive nutritional education, disease-specific self-management sessions and constant reinforcement through personal patient contact. The American Diabetes Association recognizes the education service of the Diabetes and Nutrition Teaching Center at Aiken Regional Medical Centers as meeting the national standard for diabetes self-management education.

**Location: 420 Society Hill Drive, Suite 200, Aiken
803-293-0023**

Aurora Pavilion Behavioral Health Services

Help for mental illness or substance abuse is close to home. We provide individualized assessment and inpatient and outpatient treatment for adults, children, adolescents and seniors who have behavioral, emotional and substance abuse problems.

**Location: 655 Medical Park Drive, ARMC campus
803-641-5900**

Sleep Evaluation Center

Having trouble falling asleep or staying asleep? The Sleep Evaluation Center can help. Patients undergo sleep studies that gather data on how you breathe and sleep, which can help your physician identify a sleep disorder and determine treatment options.

**Location: 3rd Floor, ARMC main building
803-641-5370**

Emergency Department

You can rely on the Emergency Department at Aiken Regional for 24/7 care provided by 100 percent board-certified physicians. We focus on making your emergency department experience as smooth as possible, with patient-friendly bedside registration and a commitment to low wait times. And when time is crucial, we're prepared with our helipad to get you here as quickly as possible.

Location: Emergency entrance, AMRC main campus

Palmetto Pediatrics Center

Palmetto Pediatric Center provides inpatient and outpatient services for infants, children and adolescents. Children can get routine healthcare as well as care when they're sick. Inpatient services include the newborn nursery and inpatient admissions. Pediatric inpatient services are located on the hospital's 4th floor.

Request Free Hospital Brochures and DVD

Free brochures are available with more information on several of our service lines. Request one by calling 803-641-5928 or visiting www.aikenregional.com.

A free DVD that gives you a look inside Aiken Regional and introduces you to many of the clinical and medical staff is also available. Call 803-641-5926.

Request both online at www.aikenregional.com.

LEADING THE WAY TO BETTER HEALTH

The doctors, nurses and employees at Aiken Regional Medical Centers work hard to provide exceptional inpatient and outpatient services. But ARMC's commitment to the community isn't limited to hospital care. Here's a sample of the free and low-cost programs, services and tools available to help you and your family live healthier lives.

Community Education and Outreach

ARMC's comprehensive community education and outreach program has something for everyone in the community, including:

- First aid and CPR training
- American Red Cross babysitting classes
- Health fairs and support groups
- Programs to help teens make wise choices
- Family-life education programs
- Wellness programs for seniors
- *Quality of Life*, our free health magazine that provides advice on healthy living and keeps you informed on our latest services, procedures and health seminars. Call 803-641-5928 or visit www.aikenregional.com to sign up for this free publication.

In addition, the hospital holds quarterly seminars at locations throughout Aiken as part of an outreach partnership with five area churches, four planned communities and the City of Aiken. The seminars feature timely health topics and are open to the public.

Start Living a Healthier Life

ARMC has a unique way of connecting with local residents — the Health Information Center (HIC) kiosk inside the Aiken Mall. It's the only mall-based center of its type in the area.

"We offer something for people of all ages," said Kathleen Ware, RN, Nurse Coordinator of the HIC. "There's a monthly health focus and general health information for adults, a Teen Scene area with topics specifically for teenagers and a Kids' Corner where youngsters can learn about healthy habits through fun, age-appropriate activities."

Visit the Health Information Center kiosk at the Aiken Mall:
Tuesdays and Thursdays, 9 AM – 2 PM Saturdays, 9 AM – 5 PM

- Free information about heart disease, cancer, HIC's monthly health focus and other health issues
- Free and low-cost health screenings including blood pressure, height, weight and body fat, lipid, total cholesterol and glucose screenings
- Health-related activities, such as puzzles for kids
- A Mall Walkers Program
- Information for teens about how they can make healthy lifestyle choices and avoid dangerous behaviors
- Free enrollment in ARMC's Senior Wellness Program
- Referrals to physicians on staff at ARMC

Aiken Regional Online

We make it easy for you to take advantage of a range of health benefits. At www.aikenregional.com, you can:

- Sign up to receive *Quality of Life*, our quarterly health update magazine
- See a schedule of free health education programs and community seminars
- Download a Universal Medication Form
- Request brochures about services at Aiken Regional
- Browse our online physician directory
- Bill-pay online
- Volunteering services

You can even email a patient and view items available at our hospital gift shop. See page 8 to learn how to navigate aikenregional.com.

Direct DoctorsSMPlus Physician Referral Service

Do you need a physician who can take care of your routine medical needs or a specialist who can diagnose and treat a specific condition? ARMC offers simple solutions that can help you select doctors who meet your individual needs.

Talk with a representative who can help you find a doctor or give you a list of doctors so you can choose the physician who best meets your needs. The representative also can make an appointment for you and send you an appointment reminder. Representatives speak English and Spanish, and are available at **1-800-882-7445**, Monday – Friday, 8 AM – 8 PM and Saturday, 9 AM – 3 PM (excluding holidays).

Senior Wellness

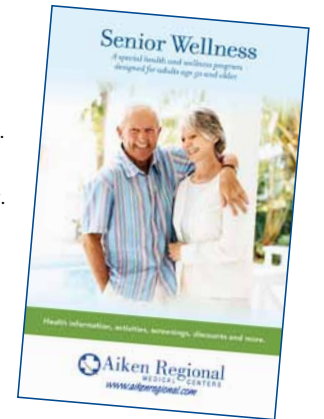

This free membership program is dedicated especially to the age 50+ population, offering a wide variety of benefits and services including:

Discount Program – Your membership card entitles you to discounts at over 100 participating providers.

Newsletter – You will receive a Senior Wellness newsletter regularly to inform you of all upcoming events as well as keeping you up-to-date on any healthcare related information you may need to know.

Seminars and Activities – Members enjoy participating in a wide variety of planned activities and special educational seminars. Group tours and trips, both locally and out-of-town, are also a part of the program.

For more information, call (803) 641-5926 or 1-800-641-2771 for an enrollment form, or sign up online.

Universal Medication Form: Keep Track of Your Medications

It's important to let all your healthcare providers know about all over-the-counter (OTC) and prescription medications you take, how much you take and when you take them. But keeping track of your medications can be a challenge, especially if you have certain chronic conditions or take multiple medications.

ARMC, in cooperation with the South Carolina Hospital Association, can provide you with a copy of a Universal Medication Form to help you manage your medications. You can easily update the form when you start or stop taking medications, or change the dosing schedule.

Take your completed form with you whenever you see a doctor, have tests or go to the hospital. It's also a good idea to keep a copy of the form in your wallet or purse so it's readily available if you need care unexpectedly.

Universal Medication Forms are available at the front desk in ARMC's lobby and at the Health Information Center kiosk inside the Aiken Mall. To receive a form in the mail, please visit www.aikenregional.com and click on Contact. Simply complete the contact form (type "Universal Medication Form" in the subject box) and click on the Submit button.

Workplace Wellness

ARMC's Business and Industry Health program helps area employers design workplace wellness programs that can result in fewer sick days, a decline in job-related injuries, increased productivity and better problem-solving abilities. Workplace wellness programs also can prevent increasing health insurance costs.

The Business and Industry Health program provides the following services to local businesses:

- Health risk and periodic health assessments
- Preventive, biometric and comprehensive cardiac screenings
- Personal health portfolios
- Educational seminars and health fairs
- Disease management and nutrition guidance

For more information, please call 803-641-5363.

IT'S *Different* HERE.

You can feel it. As soon as you turn onto our campus;
the second you come through our doors.

At Aiken Regional, we don't just "treat patients" - we care for friends and neighbors.
What you find here is a high-tech, efficient facility with people committed
to delivering a healthcare experience with a difference.

So when you come here, you can feel it.
A hospital with hometown heart ... where you get world-class care.
